ADMISSION 10 CENTS

FIRST CONTEST

Handsomeness new 30-30 Remington Rifle given away at new Shooting Gallery on Third street, below Pike, in the new Latstetter Building, to the party having the highest score on targets. Also high grade Meerschmump for amateurs. Call and look over the prizes.

THE THEATERS

A small but appreciative audience of music-loving people of the city braved the cold weather last evening to attend the concert given by the West Virginia University Glee and Mandolin clubs in the Masonic auditorium under the auspices of the Clarksville West Virginia University Club and the Masonic Lodge. All were well repaid as the concert was one of the best of its kind ever given in the city.

The auditorium was appropriately decorated with flags and pennants. The stage had for a background a large American flag and many banners and pennants of the University. The vocal numbers on the program were all well sung by the Glee Club and many times the boys were brought back for a second and third time.

Solos by Boober and Beckett and Himericks by Himericks were well received and afforded much pleasure.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take Tablespoonful of Salts if Back Hurts or Bladder Bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys, if they attempt to filter, become weak from the overwork; they the blood of this irritating acid, but get sluggish, the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in the urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Advertisement.

GIVE THAT PUNY CHILD THIS GUARANTEED REMEDY

If your child is underweight, listless, ailing, liable to get sick easily, it needs a medicine to build its weight and strength. For this purpose there is nothing else we know of that we can so strongly endorse as Rexall Olive Oil Emulsion. The remarkable success of this splendid medicine is due to the fact that it contains ingredients that tone the nerves, enrich the blood and furnish to the entire system the strength, weight and health-building substances it needs. And, it does all this without injuring the stomach. In fact, Rexall Olive Oil Emulsion is not only pleasant to take, but even the most sensitive stomach is benefited by it, and the digestion improved. On the other hand, it contains no alcohol or habit-forming drugs, which most parents object to giving their children. It does its good work by taking hold of the weakness and builds the body up to its natural strength, at the same time making it strong to resist disease.

If Rexall Olive Oil Emulsion doesn't build your child up, feed the stunted puny muscles, and make the little one lively, strong, well, and all of the animal spirits children are meant by nature to have, come and tell us and get your money back. We don't want you to lose a cent. We think this is no more than fair, and it leaves you no cause to hesitate. For old people also—for convalescents—for all who are nervous, tired-out, run-down, no matter what the cause—we offer Rexall Olive Oil Emulsion with the same guarantee of entire satisfaction or money back. Sold only at the 7,000 Rexall Stores, and in this town only by us. \$1.00.—Sturm & Wilson, 340 West Main street, Clarksburg, W. Va.—Advertisement.

to those present. In the Himericks Himericks afforded all University people present much pleasure by "roasting" the man who recently denounced dances given by the University boys at the military ball.

The work of the quartet was especially good and each number was repeatedly encored.

"The Grasshopper," a tragic cantata by the Glee Club, was an appropriate and amusing finish for the program.

Arnold Daly has a playlet called "The Gravity of Life" in which he may appear in vaudeville.

"Calamity Anne in Society," an American comedy featuring Louise Lester, is being shown today at the Orpheum. Miss Lester's acting is so natural that one almost believes she is the novice in society she purports

Scene from Tolstoy's wonderful drama, "The Living Corpse," which will be shown Wednesday at the Orpheum.

to be. Other pictures shown are "Too Proud to Beg," by the Reliance stock company; and "Mabel's Bare Escape," a sidesplitting Keystone comedy. Tomorrow a four part feature, "The Living Corpse," adapted from Tolstoy's drama, will be shown. It is characterized by perfect photography, excellent acting and a powerful plot.

Philip Bartholomae has written a new musical comedy which is described as a girl play with no chorus.

We are promised that when Mr. Arthur Hammerstein presents Miss Edith Thayer in his new comedy opera entitled "The Firefly" at the Robinson Grand March 4 that it will positively be the first and only production ever presented in this city by Mr. Hammerstein, whose name is associated with an operatic organization that is generally accepted by theatergoers as a guarantee of excellence and it is assured that this city will have the opportunity of seeing something out of the ordinary in the way of comedy opera entertainment.

"Along Came Ruth," a Savage production, will have its first performance the latter part of the month.

"Stop Thief," the new comedy-drama by Carlyle Moore, which appears soon at the Robinson Grand, has proved far and away the most diverting attraction of the class booked at any theater in which it has been seen and has been received by audiences that have evidenced in numbers and enthusiasm their delight in this Cohan and Harris production. The story that Mr. Moore tells has for its unusual pivotal theme that disease known for the most part only to the wealthy, kleptomaniacs, with the father of a charming girl and her fiancé as the victims.

Ada Rehan has just given her nephew a Scotch costume play in one act called "The Black Monocle," said to be unusually dramatic.

Henry Miller has started rehearsals for his new production, "Daddy Long Legs," the comedy by Miss Jean Webster, which he is to present shortly. Mr. Miller, now finishing his tour in "The Rainbow," is directing rehearsals of the new play, but will not himself appear in it. The leading role will be played by Miss Ruth Chatterton.

Douglas J. Wood will present in New York for a special benefit under distinguished society auspices "Prince Karl," which has not been given in that city since the death of Richard Mansfield.

"Pretty Mrs. Smith," by Oliver Morosco and Elmer Harris, with Kitty Gordon in the leading role, which had a tryout in the West, will have its first production East in Boston instead of New York, as originally planned.

Helen Redmond, who won note as a prima donna in many light operas,

notably as Dolores in "Florodora," died in New York lately of pneumonia. She retired from the stage on her marriage to a Philadelphia physician.

It is said that Alice Lloyd, who made a success on her merits without heralding, is to retire from the stage after this season. She has accumulated a fortune, and wishes to retire at the height of her success. In private life Miss Lloyd is the wife of Tom McNaughton.

Will J. Davis, manager of the Illinois theater in Chicago, one of the best-known men connected with amusements in the United States, announces his retirement from the theatrical business.

Oscar Eagle, who has worked continuously in producing, since he came

Anna Nilsson, is being shown today at the Odeon. The story is of a show girl who plays a scoundrel, and of her struggles to live down the past despite the efforts of a villain who would drag her back to the "white lights."

The splendid Edison drama entitled "The Last Straw of All" is also shown. The vaudeville offerings are making big hits.

(Continued on page nine.)

Deafness Cannot Be Cured.

By local applications, as they cannot reach the diseased portion of the ear, there is no way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running ear or imperfect hearing. But when the inflammation can be taken out and the tube restored to its normal condition, hearing will be restored forever, also comes out of the inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

BIG DISCOVERY AT ELKTON

EPOCH MAKING REMEDY MADE BY DR. JOHN D. BEAR.

His Emulsion Was Tested Four Years Before It Was Put on the Market. Testimonials.

A wonderful remedy has been discovered by Dr. John D. Bear of Virginia. There are testimonials after testimonials given by people who have used this remedy and all say it has proven to be a grand success. It was experimented with for four years before being put on the market, during that time it affected some gray hairs. We believe it has come to stay and will be used as a remedy. Everyone can rely on it to help stamp out the ravages of the consumption germ. If this remedy continues to meet with such success it will be a great thing for our country, as the State of Virginia alone lost 5,000 people last year to consumption, and 20,000 are reported to have it now. It was found out yesterday that Frank G. Bland, druggist, and Stone & Mercer, druggists, have ordered a shipment of this great remedy. We congratulate our druggist on being so prompt.—Advertisement.
